## Summer Class Registration At LAHC Set

Registration for the summer session at Harbor College will be held today and Friday from 8 a.m. to 2 p.m., and from 6 p.m. to 8 p.m., it was announced today by Robert V. Bacon, Dean of Summer Session at the college.

Although the preregistration in May was the largest in the history of the college, there are still class openings for those students who plan to register this week.

COURSES TO BE given in

the eight divisions of the curriculum include technical, business, liberal arts, and science courses.

Among the individual subjects being offered are physics, chemistry, biology, mathematics, business, English, speed reading, electronics, printing, architecture, art, drafting, philosophy, speech, nursing, history, psychology, and many others.

All courses are tuition free, carry regular college credit,

and meet from 8 a.m. to 10 p.m. Monday through Friday. No admission tests or transcripts are required. Any high school graduate or person 18 or over may attend.

THE SIX-WEEK summer session will start July 10 and end August 18. Students may enroll in as many as six units for the period.

"Summer session courses are particularly helpful to four groups: high school students

who want to get an early start on college program or make up course deficiencies; college students who want to complete units toward graduation; employees who wish to improve skills and prepare for better positions; and anyone interested in self-improvement and continuing his education," Bacon stated.

PIETRO DI CARLO  
A Blue Chip Offer

## Blue Chip Stamp Offer Reported By Cabrillo S-L

Cabrillo Savings is celebrating its opening with a double bonus for savers—two Blue Chip Stamps for every dollar placed in a new account.

Pietro Di Carlo, president of the new association at Pacific Coast Hwy. and Crenshaw, in Rolling Hills Plaza shopping center, announces that the special bonus offer is made in appreciation of the enthusiastic support by local residents who are opening accounts at Cabrillo.

"Since our grand opening began, we have been gratified by the widespread response from the Torrance area, as well as from nearby South Bay sections," Di Carlo commented. "Cabrillo pays the highest return on insured savings, and in addition it offers the special advantages of a locally-owned and directed independent institution, dedicated to the service of this particular community."

Fred Strohmer, executive vice-president of Cabrillo, announced that the board of directors has voted a 4 1/2 per cent annual dividend, payable for the quarter beginning July 1.

## Torrance Firm Gets Argentina Machinery Job

An order for machinery from an Argentina firm has been received by Torrance Specialty Fixtures, Inc., it was announced here yesterday by C. A. Babbitt, president of the Torrance firm.

The Buenos Aires firm, SIAT, S. A., is a major producer of pipe in Argentina, and the Torrance firm has supplied substantial amounts of machinery for its operation during the past seven years.

Babbitt said the current order is for machinery to produce 24-inch diameter, high strength line pipe. The order is being financed through the new Export-Import Bank of Washington on a loan basis for plant improvement and modernization. The machinery to be supplied on the current order is valued in excess of \$400,000.

At the same time, Babbitt announced the completion of a shipment of continuous pipe mill to Israel as part of a modernization program for the plant originally built by Cal Metal Corp. of Torrance in 1951.

## Residents Invited to Open House

Local residents are invited to attend a month-long series of open houses at the Southwest headquarters of the So. California Gas Co. The office will be open each Friday from 6 to 9 p.m. beginning tomorrow.

The southwest office is located at 158 So. LaBrea Ave., Inglewood.

Modern appliances, home economists, and kitchen planning consultants will be on hand. Prizes will be offered to drawing winners.
